Sir Frederick Banting

Admissions

Sir Frederick Banting International School is committed to small class sizes (maximum 19 students), thus ensuring that each child receives the individual attention he or she requires and deserves. We admit students from Junior Kindergarten to Grade 12 for the purpose of offering a continuous and coherent educational experience unified by a singular vision.

Application Process: Setting Sails

We invite both parents and students to visit our institution and familiarize themselves with our facilities, staff, and educational programs. We provide all prospective students with a diagnostic test designed to accurately assess the specific needs they have and thus orient us to the best pedagogical approach for each particular student.

We are more than happy to discuss the particular needs of your child with you and devise the most optimal educational experience for him or her at Sir Frederick Banting International School.
