

Dear Members of the Frederick Banting International School Community,

We were shocked to learn that our Principal, Sanjiv Dhawan, has been charged with a criminal offence in relation to a student. We were not aware of these allegations before charges were laid. The allegations are inconsistent with the conduct and character of the Sanjiv that I have come to know and have worked with closely for many years. Still, we recognize that such allegations must be taken seriously, and the justice process must take its course. In the meantime, our focus remains on our students and on ensuring that they can complete the school year free from all unnecessary distractions. Therefore, effective immediately, Sanjiv will be taking a leave of absence from the School. He will not return until his name is cleared.
